School of Engineering Electives:

For the School of Engineering electives, your choices are any 5-unit upper division or graduate School of Engineering courses, with these exceptions: You can take STAT 131 or CSE 107, but not both, and at most one independent study or field-study (with prior approval from the Department) to be used as an elective.

Economics Electives:

The following Economics courses are not required but strongly recommended for TIM majors:

Econ 100B Intermediate Macroeconomics	Econ 133 Security Markets and Financial Institutions
Econ 101 Managerial Economics	Econ 135 Corporate Finance
Econ 115 Introduction to Management Sciences	Econ 136 Business Strategy
Econ 130 Money and Banking	Econ 161A Marketing
Econ 131 International Financial Markets	

Notes:

- All students admitted to a School of Engineering major, or seeking admission to a major, must take all courses required for that major for a letter grade.
- Courses in which you receive a grade of C-, D+, D, or D- earn credit toward graduation, but cannot be used to satisfy a major requirement or a general education requirement, and cannot satisfy a prerequisite for another course.
- The School of Engineering has different major declaration deadlines than the UCSC Academic/Administrative calendar. Our deadlines and process can be found on: <http://undergrad.soe.ucsc.edu/declare-your-major>
